

No Continuing education Classes are scheduled for the month of November
Course information classes contact Rose Wong 800-998 HVAC (4822) or e-mail www.rose@tacca.org

The Air Conditioning Contractors of America (ACCA), the nation's largest association of heating, ventilation, air conditioning, and refrigeration (HVACR) contractors, is seeking nominations for its Contractors of the Year awards program. The application for the 2011 program is available now on ACCA's website, and is similar to last year's to make it easy for contractors to nominate themselves for their innovative business practices

ACCA-Texas will once again offer Group Registration for the upcoming ACCA Conference to be held in San Antonio in February 2011. Look for forms and information to hit your "in-box" at the beginning of November.

Ben Stark of Stark Air in Hurst has been nominated and elected to an open Board of Directors seat in Region III. The ACCA-Texas Board based on our By-Laws will elect Ben at the upcoming October 29th meeting. Help us to welcome Ben at starkair@aol.com.

Johnstone Supply will be the site for Propane Testing and recertification for the San Antonio area

.Study guides are at:

<http://www.propane.tx.gov/training/studyguides.php>

There are 2 of interest
Appliance installation. Good for most people in the A/C Business and Service and Installation, this includes sizing and installing pipe, tanks and appliances.

Recertification occurs each year by May 31. The company or individual must send in \$35 for each person. They will receive a reminder notice by March 15.

Also with in the first year or by May 31 they must take a Continuing Education Course offered by the Railroad Commission.

November 18th Monthly Membership Meeting
