On September 23, 2010, there will be an Air Conditioning and Refrigeration TDLR Enforcement Taskforce Team meeting in San Antonio at the City Development Building, located at 1901 South Alamo. The meeting will be from 9:15 a.m. to noon.

[View the meeting agenda](#)

The purpose of the TDLR Enforcement Taskforce Team is to bring together industry personnel, local building officials, trade schools, compliance personnel, and enforcement personnel to discuss unlicensed activity and regulation of the air conditioning and refrigeration program. We provide the audience with updates to the Air Conditioning and Refrigeration law and rules, municipal updates, code information, licensing process, and enforcement complaint process and procedures. We will also provide ample time for questions and answers from the audience. The meeting will be in the town hall format.
